New yet Old

¶ Although the handsome reconstructed office of the National Bank, at the corner of Reform Street and Albert Square, embodies the most modern ideas in banking architecture, yet the old spirit of personal service remains, courteous as ever, but more helpful than before, because of the added accommodation. All classes of banking undertaken, but, in particular, Small Deposits of 1/- and upwards specially catered for.

DUNDEE DIRECTORY.

GENERAL NOTICE.

During the year that has passed since our last issue there have been few events of outstanding local importance. The national depression in trade which we referred to last year has now become international and is again reflected in the state of the industries in the city.

The Staple Trade has suffered considerably from the adverse conditions, and short time has been prevalent in many of the jute mills and factories, while several more old established works have closed down entirely.

The Textile Engineering Industry, for which Dundee is justly famous, is in a similar condition to the trade on which it so largely depends, and short time has been the rule in our local foundries. It is not surprising therefore that the unemployment figures in the city are so stupendous—approximately 35 per cent. of the insurable workers in the city are unemployed, while fully another 10 per cent. are on short time.

Shipbuilding, however, has had a record year, and since June 1930 till the present date the output by the Caledon Shipbuilding and Engineering Co., Ltd., has exceeded 56,000 gross tons. At the moment of going to Press the stocks are empty, but there are prospects of further orders for vessels being obtained in the immediate future.

Fortunately also the Building Trades have been moderately busy, and while the Corporation Housing Schemes, the Commercial College, the extension to Lord Roberts Workshops, and the reconstruction of Her Majesty's Theatre (now Majestic) at a cost of £20,000 have principally provided work for the building trade, private building in various parts of the city has also assisted in keeping these trades well employed. The New Harris Academy was formally declared open in April; the old School is now a secondary Roman Catholic School and has been renamed St. John's Central R.C. School.

Old Dundee is gradually disappearing, and with the demolition of the Vault to make room for the east wing of the City Square, the Strathmartine Lodging and other ancient historical landmarks are now only memories.

Road and street improvements are still proceeding. The Kingsway or "Ring" Road is being continued towards the west, and will ultimately converge on the Perth Road at Invergowrie, thereby allowing the through road transport to

skirt the city and avoid the busy streets. On the south the new road between Ferry Road and Dock Street and the remaking of the carriageway of the Esplanade will relieve the traffic congestion in the centre of the city.

It may be of interest to mention that there are now 147 miles of streets within the city boundary.

The Tay Road Bridge has not been lost sight of, and the questionnaire sent out by the Chamber of Commerce should help to further this important scheme.

During the year the Corporation have acquired the Dundee, Broughty Ferry, and District Tramway system, with the result that the tramcars have been superseded by motor buses, and a five minutes service to Broughty Ferry is now in operation. (A reference to the Dundee Directory for the year 1856 shows that at that time also there was a service of buses to Broughty Ferry—every two hours, commencing at 10 a.m. and continuing till 8 p.m.)

Owing to the development of the Transport of the city it became necessary to extend the depot in Lochee Road, and ample accommodation has now been made for the Corporation's extensive fleet of tramcars, motor buses, and commercial lorries on the site of the Old Prison Buildings adjoining.

The Corporation Garage at Craig Street will now be available for other purposes, and the suggestion is made that the Greenmarket, an institution in Dundee from time immemorial, be transferred to that building.

The City Council have secured the Castle Green at Broughty Ferry, and the present intention is to retain the ground as one of our open spaces. Belmont Castle has been taken over by the Church of Scotland and is at present in the hands of the tradesmen, who are transforming the interior to make it suitable for a Home of Rest for the Aged.

From July of this year Dundee will be recognised as a Conference Port; this should be advantageous to exporters of machinery who may then ship direct from Dundee, thus obviating the necessity and expense of railing goods to Glasgow for shipment. This should also assist the shipping at the Harbour, which, in consequence of the general depression of trade, has been dull during the past year.

The extension to the King George Wharf was formally opened in October by H.R.H. The Duke of York.

The city has been fortunate in having had few serious fires during the year, the destruction of St. Roque's Garage in Ward Road being the most alarming outbreak with which the Fire Brigade had to contend.

The health of the community has been on the whole good and the city has been free from any serious epidemic of disease.

The complete figures of the 1931 Census have not yet been published, but it appears that the population of Dundee has increased by over 7,000 since the Census of 1921. The present figures are given as 175,583, which means that Dundee still remains the third city in Scotland. As Government grants are based on population figures, this ensures a considerable increase in any State grant for local relief works.

It is pleasing to record the advent of new industries in the city. Messrs Wm. Briggs & Sons, Ltd., Tar Distillers and Manufacturers of Bituminous Specialities, whose works are at Elliot Junction, recently acquired the Dundee Corporation Tar Distillation Works and the old Caledon Shipyard adjoining, where they have erected a complete plant for the distilling and refining of Bitumen. This material is now largely used in the construction and surfacing of roads, and the new enterprise of Messrs Briggs will enable them to produce the different grades of Bitumen recommended by the Ministry of Transport and in quantities sufficient for a wide area in this part of the country.

The Wisbech Produce Canners, Ltd., have taken over Kingsway Works, where machinery is being installed for the canning of fruits and other varieties of canned goods. It is expected when the cannery is in full commission that employment will be provided for 200 or 300 workers.

Motor Body Building on a large scale may also be regarded as one of our new industries, and the motor buses for the Corporation built by Dickson Body Works, Ltd., have given this trade a prominence which may attract business from other sources.

The community of Dundee are fortunate in the thought and consideration shown by beneficent citizens, and many institutions have benefited through donations and bequests. The claims of the Royal Infirmary have been generously recognised, and prominent amongst the many gifts to this most deserving institution are £120,000, being half of the residue of the estate of the late Mrs Marryat; £3,000 from the late Mr James M. Brown, retired teacher, Lochee; £1,064, half of the residue of the estate of the late Mrs Jeannie C. Stewart; £1,050 from the late Mrs Kennedy (widow of Rev. John Kennedy); and £1,050 from the late Mr John Findlay; as we go to Press a magnificent gift of £10,000 has been made by Mr and Mrs Alistair Scott, The Boreen, Westgrove Avenue. From the Students' Charity Week effort the sum of fully £1,700 was collected; and many donations and bequests of smaller amounts were also received by the Infirmary.

The Bannatyne Home of Rest received a gift of £1,000 from an anonymous donor; the same institution received £500 under the will of the late Mr Wm. Gibson and £200 from the late Mr John Findlay, while the Royal Victoria Hospital, Dundee Convalescent Home, Institution for the Blind, and many other deserving institutions have also benefited.

The Celebrity Concerts which took place during the winter months were again well supported, and the performances by the Dundee Operatic Society and Choral Union Concerts met with a very large measure of success.

In addition to the Traders' Exhibition held in the Caird Hall, an Arts and Crafts Exhibition was given in the Drill Hall and proved an interesting and instructive attraction to the general public.

For the first time since its inception the Open Golf Championship of Great Britain was held in this area, the venue being Carnoustie. Many visitors were attracted by this event, and world wide publicity given to the district.

The portrait which we are privileged to reproduce in this issue is of Colonel P. S. Nicoll. Few, if any, of Dundee's citizens have devoted more time to the service of the community than Col. Nicoll, who, in the course of his public duties, has been a member of Town Council, Harbour Board, and Nine Trades, though more widely known during his term of office as Lord Dean of Guild. Semi-public institutions also claimed his energies, and he has been a Director of Dundee High School, Orphan Institution, and Royal Lunatic Asylum; Chairman of the Dundee Business Club; and is also an original member of the Rotary Club. During the War Col. Nicoll saw considerable service abroad. In 1916 he was in Egypt in command of 2/7th Northumberland Fusiliers. From 1918 till March 1919 he was stationed at Khartoum in command of British troops in Soudan. He was three times mentioned in despatches and was awarded the Order of the Nile (3rd class) by the Khedive.

We mourn the loss by death of many well-known citizens. These include:—Mr Joseph Philip, Mr John N. Kyd, Mr Charles Stewart (educationist), Mr Edward Shepherd, Mr Francis Stevenson, Mr Simon Forrest, Mr James Buchan, Sir James Urquhart, Lady Urquhart, Mr David Hynd, Mr Robert Still, Mr C. B. Ovenstone, Professor Kynoch, and Rev. Dr. Colin Campbell (emeritus minister of Dundee St. Mary's).

We beg to point out to subscribers that on 11th June Mr Wm. Parker was appointed Chairman of Directors to the Dundee Royal Infirmary. The general portion of the Directory had gone to Press before this appointment was made and consequently does not contain this information.

June, 1931.

British Newspapers, Magazines, and Trade Journals may be sent to Canada by direct Canadian packet, and to Newfoundland by direct packet or by Canada, at the following rates:—6 oz., 1d; 1½ lbs., 1½d; 2 lbs., 2d; 2½ lbs., 2½d; and so on up to 5 lbs., 5d; limit of size, 2 feet in length by 18 ins. in width or depth. They must be posted without a cover or in a cover open at both ends and easily removable. Neither cover nor contents may bear any superscription except title and reference to registration, address of sender and addressee, index or reference numbers and letters, the words "with compliments," a reference to any place in the publication, and a request for return in case of non-delivery. All inland registered Newspapers are admissible; and other Journals may be registered for Magazine Post under certain conditions.

Spoilt Stamps.

Applications for allowance on spoilt, or unused, postage stamps, embossed envelopes, post cards, or newspaper wrappers, which have not passed through the post, should be made at the Head Post Office, or the Accountant, G.P.O., Edinburgh.

Registration and Insurance—Foreign.

The fee for registration of letters, post cards, commercial and printed papers and samples, addressed to places abroad, is 3d. Articles to be registered must be enclosed in a strong envelope, and given to an agent of the Post Office. To some countries it is forbidden to send coin, jewellery, or precious articles. (For prices of Registered Letter Envelopes, see page 144.)

Letters and parcels may be insured (up to certain limits of value) to many foreign countries. Letters must be securely fastened and sealed with private seal, and presented at the counter of a Post Office. Parcels must be substantially packed, and sealed with wax or lead. Seals must be placed over each join or loose flap of the covering, and at the ends of the string. The seals must all have distinct impressions of the same device, such device not consisting merely of straight or curved lines. Parcels containing coin, watches, or jewellery must be enclosed in strong boxes substantially fastened in wrappers of canvas or strong paper, duly sealed. Letters or parcels for insurance must bear the words "Insured for———," according to amount. The sums payable for insurance, including registration, are as follows:—To secure compensation up to £12, a fee of 5d; £24, 7d; and so on at the rate of 2d for every additional £12, up to £400 5s 11d.

For information regarding foreign postage of articles of gold and silver, precious stones, &c., see current copy of Post Office Guide.

Compensation for Loss or Damage of Uninsured Parcels.

The Postmaster-General will, subject to certain rules, give compensation for the loss or damage of uninsured parcels sent by Parcel Post to various Foreign Countries when such loss or damage takes place while the parcels are under his custody. The compensation paid will in no case exceed £1 12s for a parcel exceeding 11 lbs., or £1 for a parcel not exceeding 11 lbs. In the services with certain countries a lower limit than £1 is in force for light parcels. In the case of parcels lost or damaged while under the control of the Post Offices of these countries, the Postmaster-General will endeavour to obtain compensation for the senders.

Cash on Delivery Service.

This arrangement for collecting from the recipient, for remittance to the sender, by Money Order or Postal Order, the value of articles sent by post, is in operation between Britain and the following countries :—Aden, Algeria, Antigua, Austria, Bahamas (Nassau only), Barbados, Belgium, Bermuda, British Guiana, British Honduras, British Somaliland, China, Corsica, Ceylon, Cyprus, Denmark, Dutch Guiana, Dutch West Indies, Egypt, Estonia, Falkland Islands (Port Stanley only), Fiji, France, Germany, Gibraltar, Gold Coast, Grenada, Holland, Hong Kong, Hungary, Iceland, India, Iraq, Jamaica, Kenya and Uganda, Latvia, Leeward Islands, Lithuania, Malay, Malta, Mauritius, Morocco (Tangier only), North Borneo, Nyassaland, Norway, Palestine, Portugal, Rhodesia (Northern and Southern), St Lucia, St Vincent, Sarawak, Seychelles, Shanghai, Sierra Leone, Straits Settlements, Sweden, Switzerland, Tibet, Trinidad, Zanzibar. The amount to be collected, or "Trade Charge," may not exceed £20 or £40 according to destination. Articles must be sent as parcels. The sender must fill up a special Trade Charge Card (no erasure or alteration allowed), and also write on the cover of the parcel, or on a label affixed to the cover, his name and address and the word "Remboursement," followed by the amount in sterling of the Trade Charge.

The packet must be handed in at a Head or Branch Post Office, where the sender must obtain a certificate of posting, which is to be given up when the Money Order or Postal Order is presented for payment. The amount of the Trade Charge will be remitted directly to the sender, after deduction of fee due to office of delivery, and commission on Money Order or Postal Order. Rates charged as fee and commission for the various countries may be ascertained at Post Office.

Imperial and Foreign Parcel Post—general regulations.

A parcel must not be posted in a letter box, but must be presented at the counter of a Post Office. The sender is required to make a Customs declaration furnishing a statement of the contents and value, the date of posting, and other particulars. Senders of parcels for certain countries may take upon themselves the payment of the Customs charges if they so desire.

No letter whatever may be sent in a parcel addressed to any Foreign Country, or to many British possessions. Invoices in open envelopes may, however, be enclosed. Coin, jewellery, or any article of gold or silver, cannot be sent by Parcel Post to any Foreign Country or British Possession included in the insurance system, unless they are insured for at least part of their value, and packed according to special regulations.

Parcels should be securely packed; cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad.

Arrangements have been made whereby parcels up to 22 lbs. in weight may be accepted for certain Colonies and Foreign Countries.

Post Office Telegraphs.—Inland Telegrams.

The charge is 1s (1s 6d for telegrams addressed to the Irish Free State) for the first 12 words, and 1d for every additional word. Addresses are charged for. Telegrams handed in on Sundays in Scotland are charged 6d extra.

Forms with embossed stamps can be obtained either singly or in books of 20, interleaved, and with a sheet of carbonic paper, price £1 0s 3d each book.

When the terminal office is a Head Post Office, the amount paid for transmission covers the cost of delivery within three miles or within the town postal delivery when that extends for more than three miles. But when it is not a Head Post Office, the message is delivered free within three miles only. The porterage on messages for places beyond the limits of the free delivery will be at the rate of 6d a mile or part of a mile, the charge being reckoned from the limit of the free delivery.

Copies of a telegram directed to more than one person in the same free delivery are delivered at a charge of 4d for every copy beyond the first, in addition to the ordinary telegram charges for the number of words in the addresses and text. Telegrams may be repeated, if the sender desires it, at one-half the ordinary tariff.

Persons not wishing to send to a Telegraph Office may post a telegram in an envelope addressed "Telegram, Immediate" in a wall or pillar-box, or Sub-Post Office. Telegrams so posted are sent on by next collection to the Telegraph Office for transmission free of extra charge, provided that the proper amounts have been prepaid.

Messages may be sent by Telephone from subscribers or from Multi-Coin Boxes for onward transmission as telegrams to a Telegraph Office. A local telephone fee is charged in respect of each call made to the local Telegraph Office, or to Edinburgh when the local office is closed for Telegraph business.

Anyone may register an abbreviated address on payment of £2 a year.

The cost of a reply, not exceeding forty-eight words, may be prepaid, and a reply form will then be delivered to the addressee, who will be at liberty to use it for any inland message, at any time within twelve months.

Night Telegraph Letter Service.

Night Telegraph Letters may be sent between any two of the undermentioned towns for delivery by the first post the next morning—including Sundays if there is a Sunday delivery:—Aberdeen, Belfast, Birmingham, Bradford, Brighton, Bristol, Cardiff, Cobh (or Queenstown), Cork, Derby, Dover, Dublin, Dundee, Edinburgh, Exeter, Gateshead, Glasgow, Holyhead, Hull, Inverness, Leeds, Liverpool, London (Central Telegraph Office, West Strand, Fleet Street and House of Commons Branch Offices), Londonderry, Manchester. Newcastle-on-Tyne, Newport (Mon.), Norwich, Nottingham, Plymouth, Portsmouth, Queenstown, Sheffield, Southampton, Swansea. The rate is 1s for 36 words or less (1s 6d to Irish Free State), and 1d for every 3 words beyond 36. The usual fee of 6d in addition is charged on Sundays.

Night Telegraph Letters must be in plain language. They should be written on telegram forms and the charges prepaid in postage stamps. They may be handed in at or telephoned to the Head Office of the town before midnight, or posted in time to reach it by midnight (9 p.m. at Londonderry, 10 p.m. at Inverness), prepaid at the above rate, in an envelope marked simply "Telegraph Letter." They may not bear multiple addresses; and registered telegraphic addresses will not be accepted.

Foreign Telegrams.

In telegrams written in plain language (English or French) the length allowed for a word is 15 letters. Additional letters are charged for at the rate of 15 letters to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words. Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office of destination in the address is charged for as one word whatever its length; and when the name of the country, state, province, or district has to be added the whole expression is charged for as one word. Every separate letter or figure is charged for as one word. Groups of letters in cypher and groups of figures are counted at the rate of five to a word. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

Telegrams in Code language must be written in one of the authorised codes.

Radiotelegrams.

Radiotelegrams are accepted at any Telegraph Office for transmission to ships equipped with wireless telegraph apparatus in any part of the world.

Services.—(1) Short distances (List British Coast Stations, 250 miles). Rates from 3½d to 11d per word. (2) 2,000 mile range, 11d per word; 1/3 minimum. (3) Special world-wide services (Rugby radio and Portishead radio), 1/6 per word; no minimum. Open address.—When the sender is uncertain as to the appropriate coast station, the radio should bear an open address thus: "Jones Olympic Wireless." Abbreviated addresses for use in connection with radiotelegrams only can be arranged through the Head Postmaster. Fee, 2/6 per annum.

Extra-European Telegrams.

Telegrams in plain language are accepted at the "Deferred Rate" on condition that they may, if necessary, be deferred during transmission in favour of Full-Rate Telegrams.

RATES OF POSTAGE FOR LETTERS AND PARCELS ADDRESSED TO PERSONS SERVING WITH HIS MAJESTY'S FORCES AT HOME OR ABROAD.—His Majesty's Forces stationed in the British Islands and His Majesty's Ships in Home Waters—The ordinary inland rates apply to all kinds of postal packets. In the case of parcels the words "In Home Waters" must be added after the name of the ship; but the use of the proper postal address for a ship in home waters will result in earlier delivery. Every parcel must bear on the cover the sender's name and address.

H.M. TROOPS ABROAD.—LETTERS—Generally speaking, the rate for letters is the ordinary rate for the country of destination.

PARCELS—H.M. Ships outside Home Waters—3 Lbs., 1s 3d; 7 Lbs., 2s 6d; 11 Lbs., 3s 3d; 22 Lbs., 6s. China Command, Shanghai Area—3 Lbs., 2s 3d; 7 lbs., 3s 3d; 11 lbs., 4s 3d; 22 lbs., 7s. Parcels for soldiers serving elsewhere are subject to the same conditions as those for civilians in the same country.

Any letter, parcel, or other postal packet addressed to one of His Majesty's ships should be addressed—H.M.S. (name of ship), c/o G.P.O., London, E.C.1. In the case of parcels the words "In Foreign Waters" must be added after the name of the ship. Every parcel must bear on its cover the sender's name and address. Parcels may not be addressed "c/o Admiralty."

H.M. Ships in Foreign Waters—The imperial rates, viz., 1½d for first oz., and for each additional oz. 1d., will apply. Postcards 1½d each. Newspapers and printed papers, ½d for 2 oz.

INLAND REVENUE STAMPS, &c.—

The following Inland Revenue Stamps:—Bill Stamps, Bankruptcy Stamps, Contract Stamps, Foreign Bill Stamps, Civil Service, Law Court, Register House, Estate Duty, Transfer Stamps, Deed Stamps, Patent Medicine Stamps, Coffee Labels, Patent, Design, and Trade Mark Stamps and Forms, Dog and Gun and Wireless Licenses, may be purchased at the Post Office.

STREET DIRECTORY.

See List of Streets, Squares, &c., at beginning of Directory.

Numbering of Streets.—In Dundee it has hitherto been the practice to number the Streets with the odd numbers on the *right* hand side of each street, and the even numbers on the *left*. In the Directory, therefore, the names have been arranged in the same way—the *odd* numbers first, 1, 3, 5, 7, &c., then the *even* numbers following in the reverse direction, as 8, 6, 4, 2. The Broughty Ferry Streets, however, are so arranged that the order of the buildings begins on the *left* hand side of the street, returning on the *right* hand side in the reverse direction. This should be kept in mind when consulting the Directory.

The List of Streets, Squares, &c., on page 18 (which has reference letters to denote the position of each street on the Plan of Dundee, and reference numbers and letters to indicate Registration Districts and Ward Boundaries) will be found serviceable in determining the situation of any required locality.

THE DUNDEE ROYAL INFIRMARY.

THE ROYAL INFIRMARY was founded in 1782, and has gradually increased its provision for the sick and hurt by building and by undertaking the control of branch Institutions until now there are over 600 beds available for the treatment of patients. The number under treatment at the Infirmary during the year 1930 was—indoor, 10,223, the number of attendances of persons for advice or medicine at the outdoor departments was 154,089; while 9747 visits were made by Nurses from the Maternity Hospital to patients at their own homes. At the Convalescent Home during the year 1113 patients received the advantage of a rest after their illnesses, and at the Sidlaw Sanatorium the treatment of 202 children was continued with beneficial results.

The cost of maintenance of the Infirmary for the year was £56,431, and the ordinary income was £33,443.

The Directors renew their appeal for the endowing and naming of beds and cots, the sum necessary to endow a bed or cot being £1050; to name one, £210. In view of the increased annual expenditure which will be incurred in connection with the large extensions recently made to the Infirmary, and in the maintenance of the increasing number of patients, an addition of not less than £10,000 to the ordinary yearly income is required in order to meet the expenditure. Subscribers are earnestly solicited to increase their Subscriptions, and to induce those of their friends who do not contribute to the Funds to become Subscribers. The names and addresses of any who are likely or willing to subscribe should be sent to the Treasurer,
